Dear Ms. Divito,

Congratulations on making the Dean's List for Fall 2016. This honor is in recognition of your superior academic performance.

Reserved for full-time undergraduate students whose semester average is 3.5 or better, the Dean's List confers recognition upon those who have distinguished themselves in one of the courses of study offered by the Faculty of Arts and Sciences-Camden. As such, it identifies those individuals who have demonstrated excellence in intellectual endeavors, and who by rigorous self-application have given evidence of commitment to the intellectual life and its demanding standards of performance.

Please accept my personal congratulations on this noteworthy achievement. In addition, my best wishes go with you for what clearly promises to be a leadership role in your chosen field of interest.

Sincerely yours,
